DIF-RFP

ISSN REGISTRATION

China, Hong Kong SAR

COVERAGE SINCE

2026-07-15

ISSN

eISSN 3135-0011

COUNTRY

China, Hong Kong SAR

This documents that the above journal was admitted to the POSI Core Collection on 2026-07-15, but a subsequent PQF re-review found it below the eligibility bar for continued Core Collection membership — it is currently a candidate record, not a Core Collection member, pending re-review. This is not a certification of any kind and should not be represented as one. Verify this record and its current status at the URL below.
